INTRODUCTION

This awareness session will provide latest update to the industry players on the newly gazetted Customs (Prohibition Of Imports) Order 2015 for hybrid products, which shall be enforced by the Royal Malaysian Customs Department tentatively by October 2015.

The hybrid product covers a range of apparatus or equipment such as electrical appliances, computer products, medical devices and toys which are integrated with a communications module for connecting to a public communications network or for radio communications utilizing the frequency band up to 420 THz.

OBJECTIVE

- To brief on the importation requirements based on the amendments to the Customs (Prohibition of Imports) Order 2015 on hybrid products.
- To provide clarifications on certification procedure in order to facilitate and ensure successful implementation of the amendments.

WHO SHOULD ATTEND?

Industrial representative from medical companies.
